"I WANT TO WORK MY WAY UP AND SECURE THE THINGS I WANT IN LIFE"

Pamela Gribben | Sailor, 8mths service

THE JOB

The adventure begins after onshore training, when you get your first chance to go to sea working on one of the largest deepsea fleets in the country. All new crew begin on the factory deck doing a variety of jobs preparing fish for our international customers.

Opportunities

Choose your career path – factory management, deck crew, engineering, an officer, and ultimately a skipper if you want. And that's just at sea. After your sea training the career opportunities with Talley's are as wide as the horizon.

THE LIFE

As part of our crew you'll enjoy:

- Extended periods of leave
- Comfortable cabins
- Great pay and chances to save
- Delicious, healthy chef prepared meals
- Levels of advancement and training
- Access to the largest NZ-owned fishing fleet.

Join us and get ahead fast!
